# GÉANT Association Strategy

The GÉANT Association is the collaboration of European National Research and Education Networks (NRENs).

Together, we deliver an information ecosystem of infrastructures and services to advance research, education, and innovation on a global scale.

## Vision

To collaborate to deliver the infrastructures and services that enable the R&E community to excel.

## Mission

To empower R&E with an open, innovative, and trusted information ecosystem.

## Ambition

To address and anticipate the needs of the R&E community by offering sustainable, open, innovative and trusted infrastructures and services.

To be a trusted and preferred-choice partner to the benefit of the European R&E community.

To collaborate and share knowledge to enable NRENs to improve their performance, both individually and collectively.

## The GÉANT Association is driven by Eight Strategic Goals

### Network

We are the trusted partner for pan-European and global advanced R&E networking.

### Security

We provide a safe and secure information ecosystem for researchers, educators, and students.

### Innovation

We continually evolve key infrastructures, innovate, and develop new services in order to fulfil the needs of the R&E community in a sustainable way.

### Community

We are acknowledged worldwide as a leader for developing and supporting R&E networking communities, and global REN development.

### European Union

We are seen by the EU as an indispensable partner for their vision.

### Stakeholders

We forge relationships with other e-infrastructure providers, research infrastructures (RIs), and other stakeholders, to benefit the R&E community.

### Governance

We have a governance structure that is agile and benefits from the diversity of our membership.

### Funding

We will ensure financial sustainability to benefit our members.
